a gift before we go

Author's Note:

001/100 for the 100 Fandoms Challenge.

Written for prompt 29: mask.

"What's the matter, Felix?" Saturos asks, tone mocking.
"Don't like your gift?"

Felix stares at the mask in his hands .

"Won't I stand out in this?"

Saturos makes a dismissive noise. " We'll stand out in Vale no matter what. The important thing is that *you* aren't recognized. "

"But ... in *this*?" Felix gives the mask another dubious look that Saturos notices, because of course he does.

"Is it really that hideous to you?"

Yes . Felix thinks, but says, "It's ... shiny?"

Very, *very* shiny.

Felix winces at the thing and hopes fervently he can find a replacement on the road.
